

ARGGH!

I'VE FORGOTTEN WHERE SPIDERMAN LIVES

THIS HAPPENS EVERY SINGLE TIME

WHAT HAPPENS?

YOU ALWAYS FORGET THEIR ADDRESS

YOU REALLY NEED TO STORE THEIR ADDRESSES IN A DATABASE

WHAT'S A DATABASE?

EXPLAIN TO BATMAN WHAT IS A DATABASE.

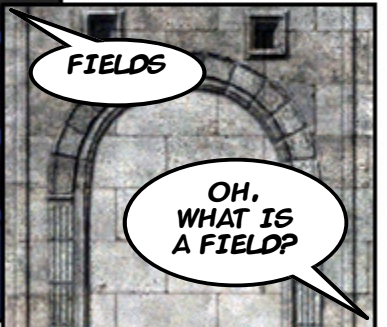

I UNDERSTAND NOW

YES!

WHAT WILL I NEED IN MY DATABASE?

FIELDS

OH, WHAT IS A FIELD?

EXPLAIN TO BATMAN WHAT IS A FIELD

SO AN EXAMPLE WOULD BE THEIR NAME?

WHAT OTHER ONES?

EXPLAIN TO BATMAN WHAT A 'DATABASE RECORD' MEANS.
